

# THANK YOU,

## **Grafton Integrated Health Network Direct Support Professionals**

*For Your Dedication, Compassion and Commitment  
to Enhancing Lives*

Grafton is happy to join the United States Congress in celebrating “**National Direct Support Professionals Recognition Week**” September 9 through September 15, 2012. We would like to take this time to congratulate and thank all of our direct support professionals. Our success—and more importantly, that of the children, adolescents and adults we serve— would not be possible without our:

***Community Facilitators... Community Living Coaches...Instructional Assistants...Overnight Living Coaches...Overnight Residential Assistants...Residential Instructors and Substitutes***

Your colleagues at Grafton want to thank you for your dedication and for the vital role you play in our organization. Not just this week but every day of the year.

It is through your tireless efforts that we are able to enhance the lives of so many, treating every client with the care and respect they deserve. We commend you for your commitment, compassion and contribution to improving the quality of their lives.
